KNIPEX Modular X15

Tool backpack

Empty

- Lightweight model with high load capacity and quick tool access
- High flexibility: 58 attachment options with tool loops, tool pockets, MOLLE webbing on the front and inside, and FIDLOCK® magnetic closures
- With two separate inner compartments for tools, notebook or tablet – lockable with optional padlocks
- Allows individual organisation with 37 retaining loops and 21 pockets (one with zip)
- Ergonomic and comfortable tool transport thanks to back padding and case strap for trolley attachment
- Stable and robust due to 6 cm high molded bottom (waterproof, impact-resistant) and durable, easy-to-clean recycled fabric
- FIDLOCK® magnetic fasteners: can be securely attached or released in an instant
- 2 flexible (inside) and 2 rigid (outside) MOLLE straps for attaching any adapters, carabiners or accessories
- Increased safety due to 4 integrated reflectors: two at the front, two on the shoulder straps
- Comfort features: 2 side compartments, 2 outer pockets (also suitable for a water bottle), 1 flexible Molle adapter with plastic D-ring, chest strap with FIDLOCK® magnetic fastener
