Pliers for Electrical Installation

- 6 functions in one pair of pliers
- To grip flat and round material, for bending, deburring, cutting cable, stripping and crimping wire ferrules
- In case of models with opening spring integrated in the joint, the activated locking lever keeps the cutting edges closed while other functions remain active
- The intelligent latching mechanism enables you to "grip" without opening the pliers. The cutting edge remains closed and protected.
- Smooth surfaces near the tips grip single cores without damaging them; serrated gripping surfaces and pipe grip for gripping flat and round material
- Clear-cut outside edge on the gripping surfaces for working on flush-mounted junction boxes and deburring feed-through holes
- Stripping holes for conductors of 0.75 - 1.5 mm² and 2.5 mm²
- Crimping die for wire ferrules 0.5 - 2.5 mm²
- Cable shears with (induction-hardened) precision cutting edges for copper and aluminium cables up to 5 x 2.5 mm² / Ø 15 mm
- Slim dimensions for easy access
- Bolted joint: precise, zero backlash operation of pliers

General

| | |
|-----------------|----------------------------|
| Article No. | 13 92 200 SB |
| EAN | 4003773075318 |
| Pliers | black atramentized |
| Head | polished |
| Handles | with multi-component grips |
| Weight | 270 g |
| Dimensions | 200 x 85 x 22 mm |
| REACH compliant | does not contain SVHC |
| RoHS compliant | not applicable |

Technical details

| | |
|--|--|
| Cutting capacity copper cable, multiple-stranded | Ø 15 mm |
| Cutting capacity copper cable, multiple-stranded | 50 mm ² |
| Stripping capacity for single strands | 0.75 — 1.5 mm ² / 2.5 mm ² |
| Capacity in square millimetres | 0.5 — 2.5 mm ² |
| AWG | 1 / 0 |

technical change and errors excepted
