KNIPEX Slim Knips Precision Cutting Pliers

- Compact storage, always ready - with excellent accessibility and lockable cutting edges for transport
- Unique design: slim, asymmetrically shaped handles make it easier to hold and guide the pliers in confined spaces
- Manage cable ties without changing tools – convenient tightening, flush cutting and large opening width for cutting
- Precisely shaped tips cut adjacent wires from 0.2 mm and solid copper conductors up to 1.3 mm, fine-stranded up to 4 mm
- Durable and rustproof, made from INOX surgical steel (approx. 56 HRC)
- For cutting soft materials, such as electrical cables in the automotive and electrical sectors, also for fine cutting work in electronics and precision engineering
- Flexible handling: can be held in the hand or between thumb and finger for better visibility and accessibility
- Shear cut with controlled micro cutting edge offset for the most precise cutting of even the thinnest of wires and for a long service life
- With opening spring for comfortable and repetitive use
- Handles made of impact-resistant plastic

General

Part No.	78 03 150 SB
EAN	4003773093886
Head	polished
Handles	with multi-component handles
Weight	107 g
Dimensions	150 x 53 x 30 mm
REACH compliant	does not contain SVHC
RoHS compliant	not applicable

technical change and errors excepted
