

## Product information

# 92 84 18

## Universal Tweezers

- Universal Tweezers are suitable for demanding standard applications and precision tasks
- Wide range of designs: straight, angled, gripping surfaces and handles smooth or serrated, with needle points, narrow or blunt tips, as well as different lengths
- For the electronics industry, watchmakers and jewellers
- High-quality stainless steel: extremely tough and very good corrosion resistance against a variety of atmospheric environments and many corrosive materials

| General              |  |
|----------------------|--|
| Article No.          | 92 84 18                                   |
| Reference number     | AAPPST.SA.B                                |
| EAN                  | 4003773054986                              |
| Material             | stainless steel                            |
| Gripping surfaces    | knurled gripping surfaces                  |
| Handles              | Smooth                                     |
| Weight               | 18 g                                       |
| Dimensions           | 126 x 11 x 18 mm                           |
| REACH compliant      | does not contain SVHC                      |
| RoHS compliant       | not applicable                             |
| Technical details    |  |
| Surface              | matt finish                                |
| Finish               | straight                                   |
| Tips width (A)       | 0.5 mm                                     |
| Tips width (B)       | 1 mm                                       |
| Tweezers tip version | blunt                                      |
| Corrosion-resistant  | yes  |
| Acid resistance      | very good                                  |
| ESD-tested           | no   |
| VDE tested           | no   |
| Sectors              | Industry electronics Watch makers Jeweller |
| Magnetic             | non-magnetisable (80%)                     |
| Behaviour            | Conductive                                 |
