

## Product information

**97 49 62**

- Application: solar cable connectors (Huber + Suhner) 2.5 + 4.0 mm<sup>2</sup>

### Crimping die

For solar cable connectors (Huber + Suhner)

#### General

|                 |                       |
|-----------------|-----------------------|
| Article No.     | 97 49 62              |
| EAN             | 4003773063179         |
| Weight          | 41 g                  |
| Dimensions      | 50 x 12 mm            |
| REACH compliant | does not contain SVHC |
| RoHS compliant  | not applicable        |

#### Technical details

|                                |   |
|--------------------------------|---|
| Application                    | solar cable connectors (Huber + Suhner) |
| Capacity in square millimetres | 2.5 / 4 mm <sup>2</sup>                 |
| Number of crimp profiles       | 3                                       |
| AWG                            | 14 / 12                                 |

*technical change and errors excepted*
