- Unique pliers wrench with black handles and gold-coloured lettering
- Replaces a whole set of wrenches, both metric and imperial
- Smooth jaws for the gentle assembly of fittings with surface finishes – work directly on chrome!
- High gripping capacity: infinitely variable gripping of all wrench sizes up to 40 mm or 1 1/2 inches
- Great for gripping, holding, pressing and bending workpieces
- No damage to the edges of delicate fittings thanks to backlash-free, full-surface contact
- Fast adjustment at the touch of a button directly on the workpiece
- No unintentional adjustment of the gripping jaws and no slipping of the joint
- Infinitely variable gripping in all wrench sizes up to the specified capacity by means of parallel jaws
- The stroke between the gripping jaws enables quick tightening and loosening of screw connections using the ratchet principle
